Experience the ultimate on road and in wilderness escapes with the new Pause Restart Edition Overland Travel Trailer. This single-axle trailer has been designed to be lighter and more affordable without sacrificing our signature high-quality standards hitting the next segment level buyer. Its independent suspension and rugged exterior design empowers you to explore off-road destinations, offering the freedom to truly disconnect. Inside, you'll find a luxurious interior, complete with climate control for your comfort, making it the perfect home base for your next wilderness adventures.
